X. Old Business

XI. New Business

XII. Items for Discussion

XIII. Citizen Participation

XIV. Adjournment

## G. Citizen participation.\*8-10-15

\*7.1 Addressing the Council. Any person desiring to address the Council prior to Council Action Items, by oral communication shall notify the City Clerk prior to the Council Meeting of their desire to speak in order that their name may be placed on a list and they will be recognized by the presiding officer without further action. Any person desiring to address the Council after New Business Items by oral communication shall first secure the permission of the presiding officer.

\*7.2 Manner of addressing the Council - time limit. Each person addressing the Council shall stand, approach the microphone, give his/her name and address in an audible tone of voice for the record. Each person addressing the Council, prior to Council Action Items, shall limit their address to five minutes unless further time is granted by the Chair or requested of the Chair by a member of Council. Each person addressing the Council, after New Business Items, shall limit their address to two minutes unless further time is granted by the Chair or requested of the Chair by a member of Council. All remarks shall be addressed to the Council as a body, and not to any member thereof. No person other than members of the Council and the person having the floor shall be permitted to enter into any discussion, either directly or through the members of the Council. No questions shall be asked the Councillors, except through the Chair.

7.3 Personal and slanderous remarks. Any person making personal, impertinent or slanderous remarks, or who shall become boisterous, while addressing the Council may be requested to leave the meeting and may be forthwith, by the presiding officer, barred from further audience before the Council.

7.4 Reading of protests. Interested persons, or their authorized representatives, may address the Council for the reading of protests, petitions or communications relating to an matter over which the Council has control when the item is under consideration by the Council, if a majority of the Council present agrees to let them be heard. Such readings shall be governed by the rules set forth within rule 7.2 herein.

7.5 Written communication. Interested parties, or their authorized representatives, may address the Council by written communication in regard to any matter concerning the City's business or over which the Council has control at any time by direct mail or by addressing the City Clerk, and copies will be distributed to the Council members.

## H. Public hearings.

8.1 Addressing the Council. The Chair, without further action, will recognize any person desiring to address the Council on a matter for which a public hearing is scheduled.

8.2 Manner of addressing the Council - time limit. Each person addressing the Council shall stand, approach the microphone, give his/her name and address in an audible tone of voice for the record and, unless further time is granted by the Chair or requested of the Chair by a member of Council, shall limit their address to five minutes. All remarks shall be addressed to the Council as a body, and not to any member thereof. No questions shall be asked of the Chair or the Councillors. Each person shall be given only one opportunity to speak and will be limited to the topic which is the subject of the public hearing.

8.3 Personal and slanderous remarks. Any person making personal, impertinent or slanderous remarks, or who shall become boisterous, while addressing the Council may be requested to leave the meeting and may be forthwith, by the presiding officer, barred from further audience before the Council.

8.4 Written communication. Interested parties, or their authorized representatives, may address the Council by written communication in regard to any matter which is the subject of a public hearing. Said communication shall be read by the Clerk during that portion of the meeting at which public hearings are conducted.

SUMMARY STATEMENT

A resolution to update the City of Ogdensburg's "Statewide GIS Public Road Network Project".

RECOMMENDED ACTION

**Approval of resolution.**

MOVED BY: \_\_\_\_\_ SECONDED BY: \_\_\_\_\_

VOTE ON ROLL CALL:

MAYOR NELSON	_____	COUNCILLOR ASHLEY	_____
COUNCILLOR HOSMER	_____	COUNCILLOR MITCHELL	_____
COUNCILLOR MORLEY	_____	COUNCILLOR SKAMPERLE	_____
COUNCILLOR STEVENSON	_____		

RESOLUTION TO UPDATE THE CITY OF OGDENSBURG'S  
"STATEWIDE GIS PUBLIC ROAD NETWORK PROJECT"

WHEREAS, pursuant to federal statute, states are required to submit public road mileage annually to the Federal Highway Administration (FHWA); and

WHEREAS, in August 2012 the FHWA significantly expanded the extent of the state road network subject to federal reporting, requiring states to now report data on all public roadways regardless of ownership, and that all data must be submitted in a geospatial format such as Geographic Information System (GIS); and

WHEREAS, to address these new requirements, the New York State Department of Transportation (NYSDOT) implemented the "Statewide GIS Public Road Network Project"; and

WHEREAS, the NYSDOT requires a supporting resolution for major revisions, additions or deletions from the Statewide GIS Public Road Network Project; and

WHEREAS, the Director of Public Works has determined that the following:

- |                          |  |
|--------------------------|--|
| <b>Canton Street</b>     | Located between State Street and Academy Place, Howard Lane segment is missing. No change in overall length.   |
| <b>Canton Street</b>     | Located between State Street and City Limits is not part of DOTID 100459 (NY 68) and will not be removed from the City's inventory.  |
| <b>East River Street</b> | Located between Mill Street and Lake Street length was reported incorrectly at 0.09 miles. Actual length is 0.20 miles. East River Street runs between Mill Street (just north of snow dumping gate) to Lake Street. |
| <b>Ford Street</b>       | Located between Green Street (current end segment) and start of Ford Street Extension, which is the start of NYSDOT responsibilities, should be an additional 0.02 miles in length.                                  |

<b>Hayward Street</b>	Located between Paddock Street and Dead End, North Meadow Drive segment is missing. No change in overall length.
<b>Horwood Place</b>	Located between Ford Street Extension and Dead End. Correct name / spelling is Horwood, not Harwood. Also, correct length according to GIS is 0.09 miles, an additional increase of 0.02 miles over recommended length.
<b>Isabella Street</b>	Located between Washington Street and Riverside Avenue, Catherine Street segment is missing. No change in recommended overall length.
<b>Jersey Avenue</b>	Segment between Park Street and Plover Hill Avenue is missing. GIS length is 0.13 miles. This section of Jersey Avenue runs between Kennedy School and the City Police Department.
<b>Joseph Brandy Drive</b>	This is a private road. It was sold on February 15, 2005 per City resolution.
<b>Kendrick Street</b>	This street runs perpendicular to Montgomery Street. The first segment begins and runs to Montgomery Street. The second segment runs from Montgomery Street to the end. The overall GIS length is 0.11 miles.
<b>Mill Street</b>	Located between Lake Street and East River Street length was reported incorrectly at a recommendation of 0.08 miles. Actual length is 0.11 miles. Mill Street runs between Lake Street to East River Street (just north of snow dumping gate).
<b>Montgomery Street (DOT ID 302478)</b>	Located between Kendrick Street and Champlain Street, missing beginning or ending segment as best defined by NYS DOT. No change in original overall length of 0.10 miles.

<b>Montgomery Street (DOT ID 302479)</b>	Located between Picquet Drive and Rosseel Street, Grant Street segment is missing. No change in recommended overall length of 0.16 miles.
<b>New York Avenue</b>	Located between Spring Street and Ogden Street, O'Neill Lane segment is missing. No change in overall length.
<b>North Water Street</b>	Between Begin and Riverside Avenue is incorrect. The first segment runs between Begin (in front of Custom's House) and Catherine Street. The GIS length is 0.06 miles. The second segment runs between Catherine Street and Begin Loop. The GIS length is 0.04 miles. The final segment runs from Begin Loop to End Loop. The GIS length is 0.06 miles.
<b>Ogden Street</b>	Between St. Lawrence Avenue and Albany Avenue, Leyare Lane segment is missing. No change is overall length.
<b>O'Neill Lane</b>	Between New York Avenue and Ford Avenue, actual GIS length is 0.07 miles. This is 0.02 miles more than the recommended length.
<b>Park Street</b>	Between East David Street and Lafayette Street, Jersey Avenue segment is missing. No change in overall length.
<b>Proctor Avenue</b>	Between Ford Street and Paddock Street, Kenrick Street segment is missing. The first segment runs between Ford Street and Kenrick Street. The GIS length is 0.04 miles. The second segment runs between Kenrick Street and Paddock Street. The recommended length is 0.31 miles. There is no change in the recommended overall length for the impacted segments of 0.35 miles.

- Rosseel Street**                      Between Jay Street and Lafayette Street. To maintain the proper segment lengths, we must keep the right and left directional suffixes associated with Lafayette Street as they are not directly across from each other on Rosseel Street. Overall street length is not changed.
- Spring Street**                      Between St. Lawrence Avenue and Albany Avenue, Leyare Lane segment is missing. No change is overall length.
- Spring Street**                      Between St. Lawrence Avenue and Lafayette Street. Beginning and ending segment lengths are incorrect, but original or recommended segment lengths are correct. Also, the “Spring Street Bridge” runs between Lake Street and Lafayette Street. The recommended segment length of 0.13 miles is correct according to GIS, but report layout is confusing.
- Woodford Avenue**                      Between Ogden Street and Dead End is correct, but correct suffix is “Avenue”, not “Lane”.

NOW THEREFORE, BE IT RESOLVED, that the City Council endorses these changes and that the Official Map of the City of Ogdensburg be and the same, shall be amended accordingly.
